Events at Sudell

*Making Sudell a
Covid Secure Site*

What we need to do:

Limiting the spread of infection is everyone's responsibility. Together we need to do the following:

- All events at Sudell will be held in in large, well-ventilated spaces. The school hall will be used at the primary venue for any events
- We will use a ticketing system to manage numbers
- Events will be held at multiple times to reduce the total number of people present at any one time
- All people attending an event need to take an LFT before they attend
- All people attending an event must not to come if they have any COVID-19 symptoms or feel generally unwell
- All people attending an event must not to come if someone in their household is a confirmed Covid19 case in the past 10 days (before the date of the event).
- Ensure social distancing is maintained where possible
- Unless exempt, face coverings must be worn
- Frequent use of hand sanitizer and handwashing

**Thank you for playing your part in
keeping the Sudell Family safe.**
