1. Purpose - This document is an agreed code to meet the operational needs of the school.

1.2. The conduct, behaviour and practice of all school staff will have an influence on the development of children and young people. This code sets out to guide the everyday judgements and actions of staff, providing clear guidance on what is acceptable conduct and what is not.

1.3. The model Code of Conduct does not cover every eventuality.

2. Applicability

2.1. This procedure applies to all staff working at Sudell Primary School.

3. Roles and Responsibilities

3.1. The Principal is responsible for ensuring all staff in the school are made aware of, and adhere to, the Code of Conduct and for providing support and encouragement to ensure staff maintain the highest standards of integrity, honesty, accountability and openness.

3.2. All staff are responsible for reading and adhering to the Code of Conduct, and for reflecting on their own conduct and practice and ensuring they meet the standards required of them.

3.3. Breaches of the Code of Conduct may result in disciplinary action being taken. Serious breaches may result in dismissal from the school's employment.

Standards The following standards apply to all school staff:

4. General

4.1. All employees are expected to apply the values of the school in their conduct at work, demonstrating honesty and integrity at all times. In general terms, the school expects that the conduct of its employees is such that no justifiable complaint can be made by parents, pupils, colleagues, other bodies or agencies or members of the community in relation to conduct and behaviour of school staff. Any complaints about inappropriate conduct will be dealt with fairly and reasonably, using the agreed procedures.

4.2. All employees are expected to use their professional expertise and judgement to put the wellbeing, development and progress of pupils first, within the context of their role.

4.3. All individuals associated with the school have the right to be treated with respect and dignity; therefore all employees are expected to treat colleagues, pupils, parents, schools partners, other bodies or agencies or members of the community with dignity and respect.

4.4. Employees should not use their position within the school for any purpose other than school business.

4.5. The school has an agreed procedure for the management of staff discipline. All employees should make themselves aware of this procedure and its' content

4.6. All employees are expected to obey the law relating to their work and general conduct. Where an employee breaks the law outside of working time and the offence is one that could damage

public confidence or has a direct effect on work, the employee may be subject to the disciplinary procedures.

4.7. Employees are required to adhere to all health and safety policies and practices (see Working Safely – section 18).

4.8. The school operates a ‘no smoking’ and ‘no vaping’ policy and neither smoking nor vaping is allowed within the school or school grounds.

4.9. Where an employee is taking prescribed drugs, he/she should inform the Principal where this may affect behaviour and/or performance at work.

4.10. It is good practice for employees to inform the Principal if suffering from a medical condition, or have personal circumstances that may adversely affect performance at work.

5. Gifts and hospitality

5.1. Employees of the school may from time to time be offered gifts or hospitality, for example from parents. The following advice should guide decisions on receipt of such gifts/hospitality:

5.1.1. Small individual thank you gifts may be accepted. Gifts resulting from collections are exempt (e.g. weddings or leaving presents).

5.1.2. Always refuse a gift/offer of hospitality if you suspect the giver is trying to gain or has an ulterior motive. Always be sensitive to the possibility the giver may think that even small gift/offer hospitality may elicit preferential treatment.

5.1.3. Never accept a gift/offer of hospitality from someone who is, or may be in the foreseeable future, tendering for any contract with the school, seeking employment with the school, or in any form of dispute with the school.

5.1.4. Occasional working lunches with providers or partners are generally acceptable provided they are not to an unreasonably level or cost and the provider or partner is not seeking to achieve an advantage.

5.1.5. Invitations to corporate hospitality events must be judged on their merit. It may be acceptable, for example, to attend cultural or sporting events or other public performances as a representative of the school. Consider the number of these events that are attended and what the public perception may be if you were to attend, bearing in mind point 5.1.2.

5.1.6. Invitations to speak at corporate events, seminars or gatherings which have been made to you in your school capacity must be approved by your Principal before acceptance.

5.1.7. If you are in any doubt about the acceptability of a gift/offer of hospitality, consult the Principal.

6. Financial and personal interests

6.1. School staff must at all times be seen to be acting fairly and impartially and personal needs or interests, or those of family or friends, must not influence actions or decisions.

6.2. Where an employee has a friend, associate or relative who is providing goods or services to the school, of a kind that the employee deals with directly or monitors in the course of his/her work, this should be disclosed. Disclosures must be made in writing to the Principal, who will advise any other school staff who may need to know.

6.3. Off-duty hours are generally the personal concern of the employee, though employees must not engage in any outside activity that may conflict with the interests of the school or could damage the confidence of the community in the school/role of the employee.

6.4. Employees should register with the Principal any membership of an organisation not open to the public that has secrecy about rules, membership and/or conduct (e.g. Freemasons).

7. Other employment

7.1. Members of the school management team must not engage in any other business or take up any additional appointment without the written consent of the Principal. Consent will not be unreasonably withheld.

7.2. Other employees may take up additional employment without consent providing the employment does not conflict with the interests of the school or in any way weaken the confidence of the community in the individual or school.

7.3. Where an employee undertakes additional employment he/she must notify the Principal of the number of hours he/she is working per week, to comply with the requirements of the Working Time Directive.

8. Confidentiality

8.1. Confidential information must not be disclosed to anyone who does not have a right to know. Paper-based and electronic information must be stored securely and confidentially with access limited to those who have a right to view it.

8.2. Employees must not disclose any information that is confidential or that, if it were made public, may lead to a breakdown in the trust and confidence the school is required to provide to the community. It may be necessary to discuss confidential information with colleagues. Where this is the case, the discussions must take place in private.

8.3. Employees must not disclose any information about the school/children/parents to the press or other media unless expressly authorised to do so by the Principal.

8.4. Employees must not disclose information about the school or its pupils on social networking sites or such similar sites. Employees should consider the information that they include on these sites and how the information may impact on the school and its reputation. Inappropriate disclosure of information may be dealt with under the disciplinary procedure.

8.5. Employees should not put confidential or sensitive information on memory sticks which have not been encrypted to ensure confidential information can't be accessed should the stick be lost or misplaced.

9. Recruitment and Appointment

9.1. Employees involved in recruitment and appointment must apply the school's recruitment and selection processes and ensure fairness and equality is applied at all times.

9.2. Where an employee is involved in recruitment or making an appointment, he/she must advise the Principal where he/she is closely associated with any of the candidates (e.g. close friend, relative).

10. Dress and Presentation

10.1. The school expects its employees to dress in a formal manner that creates a good and professional impression. Clothes should provide sufficient cover and not be offensive. Choice of dress and footwear should demonstrate sufficient regard for health and safety.

11.3. Employees must inform the Principal as soon as reasonably practicable if they are subject to a criminal investigation or have received a conviction, caution or have been banned from working with children.

12. Relationships with parents and carers

12.1. All employees should strive to establish productive relationships with parents and carers.

12.2. This includes providing parents and carers with accessible and accurate information about their child's progress, involving parents and carers in important decisions about their child's

education, considering parents and carer's views and perspectives and following the school policies on communication and involvement with parents and carers.

12.3. Where an interaction with a parent or carer becomes aggressive or offensive, the interaction should be ended politely and firmly, with assistance summoned where required.
