

Sudell Primary School Equality Objectives 2023-2024

Sudell Primary School will promote equal opportunity and will not tolerate inequality in any area of the school's life or work. All will be treated equally and given equal access to the curriculum and life of the school. All will have equal opportunity to benefit from all that we offer. Our intention is to develop an ethos in which all will thrive. Diversity and differences will be valued and respected by all and they will contribute to the richness of our school life and learning.

Under The Equality Act 2010, we undertake to demonstrate that we have due regard for the need to:

- **Eliminate unlawful discrimination, harassment, victimisation** and any other conduct prohibited by the Equality Act 2010
- **Advance equality of opportunity** between people who share a protected characteristic and people who do not share it
- **Foster good relations** between people who share a protected characteristic and people who do not share it.

Sudell Primary School is an inclusive school, where we focus on the well-being and progress of every child and where all members of our community are of equal worth.

We believe that the Equality Act provides a framework to support our commitment to valuing diversity, tackling discrimination, promoting equality and fostering good relationships between people. It also ensures that we continue to tackle issues of disadvantage and underachievement of different groups. We will publish equality objectives every four years, which show how we plan to tackle particular inequalities and reduce or remove them.

We recognise:

- All learners are of equal value
- And respect difference
- And foster positive attitudes and relationships and a shared sense of cohesion and belonging.
- And observe good equalities practice in staff recruitment, retention and development.
- And aim to reduce and remove inequalities and barriers that already exist.
- And have the highest expectations of all our children.

We are committed to working for equality for all our staff, parents/carers and children to meet our duties under the Equality Act 2010.

We eliminate discrimination by:

- Ensuring that all pupils have the opportunity to access extra-curricular provision
- Listening to and monitoring views and experiences of pupils and adults to evaluate the effectiveness of our policies and procedures.

- Using the information we gather to identify underachieving groups or individuals and plan targeted intervention
- Ensuring participation of parents/carers and pupils in school development
- Listening to parents/carers
- Listening to pupils at all times

Fostering good relations across all characteristics - between people who share a protected characteristic and people who do not share it
